Ainsley Chung

This is the section that will have all of the information you could imagine about what a great artist/ animator I am. Viewers will get a lot of insight as to what has given me the inspiration/ drive to do the work that I do; its gonna be great.

Newt Grabbin' Fruit

This is where you will see a brief description of the featured work. You may also click on the picture to be transported to a page that has more information about the project.
